Greetings.

I've received the email, below, and opened the attachment noted. After a quick once-over it appears to be the entire document (i.e., not just Part 1 of 2 or 2 of 2). Moreover, the document is not blurry in the slightest.
Many thanks to all.

Greg – Jessica Thomas with my office sent you the entire document yesterday in one email (it may have said part 1 but it was the entire document). We also mailed it to you on Friday. Here is another copy. Please let me know if you cannot open it.

Thanks,
Jessie King
